VOICES FROM RC FELLOWS

Ms Janice WONG is a Lecturer of The School of Communication who joined us in AY2022/23. She joined as an RC Fellow of Lee Yick Hoi Lun Mosaic College.

Janice's first involvement in the RCs is being the emcee of the Joint-RC Mid-Autumn Festival Celebration. "I was shocked when receiving the invitation as I had only joined the University for three weeks. Nevertheless, I am grateful for the opportunity." She revealed, "This event has given me an opportunity to know more about the culture of the RCs." She observed in the event that RCs are harmonious living-and-learning communities. "Our local students are very supportive of their peers. On the other hand, the inbound exchange students are eager to join the RC events and mingle with other students."

Janice enjoys water sports such as diving and surfing. She is also good at snowboarding, which is a topic she used to kick off the conversation with the inbound exchange students. She hopes that she can join the outdoor activities with residents in the future. Janice also looks forward to interacting with the students through communal dining and other informal occasions.

FLASHBACK OF SPECIAL EVENTS

JOINT-RC EVENTS

Two RC signature events, Joint-RC Student Residents Welcoming and Joint-RC Mid-Autumn Festival Celebration were held on 5 September 2022 and 8 September 2022 respectively.

The Joint-RC Student Residents Welcoming was coordinated by the Residential Student Leaders (RSLs) and Residential Colleges Unit (RCU). More than 150 students, faculty and staff met each other. Student residents, particularly those who are living in the RCs for the first time, learnt the essential knowledge of the RCs and how to get the most out of their stay.

In the Mid-Autumn Festival Celebration, RC Masters, Associate Masters, Tutors and RC Fellows participated in and sponsored the lucky draw. Over 150 residents enjoyed the live performances as well as the booths coordinated by the RSLs and other residents.
